Please use the following formatting to avoid undesirable printing faults:

The abstract should fit no more than one page (A4 210x297 mm) with margins: 3.5 cm/top, 3.0 cm/bottom and 2.5 cm/left/right.

The body text should be Times New Roman (size 12) with single spacing and full justification. Figures and tables should be avoided unless necessary for clear understanding of the text.

References must be included according to the IUCR journal formatting (section 10 of: <http://journals.iucr.org/a/issues/2010/01/00/me0394/index.html>).

Name the abstract file with the family name of the first author (*family name first author.doc*) and send it by e-mail to [abstract@iscgranada.org](mailto:abstract@iscgranada.org). If your abstract contains any special characters, it is strongly advisable to also send a pdf version for testing possible font mistakes.
